

Brawne Avenue Basin Water Quality Retrofit

Regional Priority	TIF2.1: Address stormwater treatment.		
Approach			
Owner Organization	City of Olympia		
Funders	City of Olympia		
Primary Contact	Eric Christensen (echriste@ci.olympia.wa.us)		
Stage	Planning/Design	Duration	2020 - 2022
Estimated Total Cost	\$800,000.00	Secured Funding	\$200,000.00
No Funding Identified	\$600,000.00	Targeted Funding	\$0.00
2018 NTA ID	2018-0195		
Total Proposed NTA Cost	\$800,000.00		

Address stormwater treatment. ➤ Address stormwater treatment.

This project would design and construct a stormwater treatment facility near the intersection of Brawne Avenue and West Bay Drive to treat runoff from an approximately 45-acre basin. Runoff from the tributary area currently receives no water quality treatment before discharging directly to Budd Inlet. This project was identified in the West Bay Environmental Restoration Assessment.
